Why Canada?

Canada is the leading international destination for business owners, entrepreneurs, professionals, students, families and tourists

That's because Canada has everything –

- Strong, fast-growing economy with plenty of opportunities
- Top-quality education and health care at low cost
- Natural beauty with plenty of space and resources
- Friendly culture that accepts everyone regardless of origin

Best for work, education and business

The United Nations has consistently ranked Canada as the world's best place to live, work and go to school.

It's a beautiful country with progressive culture and open-minded people. And, it's full of business opportunities.

Canada is also known as the leader in international education because it has far more universities, colleges and schools than other countries with similar-size populations.

EMPOWERING YOUR FUTURE : CANADA IMMIGRATION

A land of immigrants

- » Canada is truly a land of immigrants – Our nation was founded by immigrants in search of new opportunity, and we've always welcomed people from other countries.
- » Since Canada is large and sparsely populated, the government here actively encourages immigration by seeking hardworking people from around the world.
- » The Canadian government offers a variety of immigration programs, with numerous opportunities for skilled workers, professionals and investors.
- » In recent years, immigrants from India and China have become especially important to the Canadian economy.
